

PAY WITH PURPOSE

PAY FOR OP WHILE YOU SHOP

Pay down your Ohio Premier dues just by shopping like you already do. When you use the Benefit app at checkout or online between 2-20% of your total transaction will go to the Ohio Premier Club to support your child.

You can contribute as much as \$1000 towards your OP expenses! When you pay using Benefit at your favorite national retailers up to 20% of each transaction is contributed to your annual dues. Shop at places like Starbucks, Target and Amazon, along with 140 other retailers. 75% of money earned goes to your child, while 25% will support the club.

Here's how to get started:

- 1 Download the iPhone or Android app, create an account and choose Ohio Premier as your selected cause.
- 2 Enter the name of the child(ren) you want to direct your rebates to. This will then be tracked by the league.
- 3 Set up a method of payment. You can either choose a checking account or credit card. No payment info is stored on the phone, so you can rest assured it's safer than carrying a credit card.
- 4 Shop like you normally do, and when it's time to pay, type in the amount you want and instantly receive a barcode or card number for immediate redemption.
