

Empowering Our Players & Families in the College Selection Process

A Unique & Important Online Resource....

- Standardized Test Preparation Skill Build (powered by ePrep)
- College Admissions & Cost/ Aid Guidance (powered by Betterton College Planning "BCP")
- Student Athlete Resume Profiles
- Customizable Development Library
- Customizable College Recruitment Resource Guide

The screenshot shows the ePrep website interface. At the top, there's a navigation bar with 'Home Room', 'Exam Room', 'Study Hall', and 'WordSmith'. Below this, a 'SAT Test 3 - Math Section 1' results table is displayed, showing questions 2 through 15 with their respective answers and feedback. To the right, a video player shows a hand writing on a piece of paper, with a 'PLAY VIDEO' button. Below the video, a 'Unit Analysis' section shows 'Read Question' and 'PLAY VIDEO' buttons. At the bottom, a 'FEEDBACK SCORE' table shows 'ACTUAL' scores of 7, 13, 0, 3.75, 350, 6 and 'FEEDBACK' scores of 0, 0, 0, 0, 0, 0.

The screenshot shows the BCP website interface. On the left, there's a sidebar with 'YOUR EDITION', 'Peak Period', 'FIT & MATCH', 'Your Results', 'VIDEO HELP', and 'CONSIDER LIST'. The main content area is titled 'Your Results' and 'Consider List'. It shows a table of colleges with columns for 'Colleges', 'Yearly Cost', 'GPA', 'SAT', 'ACT', 'LEVEL', and 'ACTIVITY'. The table is divided into two sections: 'Very Good to Excellent (2 Colleges)' and 'Solid to Strong (3 Colleges)'. The colleges listed include University of New Hampshire, Syracuse University, Rutgers, The State University of New Jersey, Southern Methodist University, College of the Holy Cross, Villanova University, Bates College, Boston College, and Villanova University.

Why is BCP Special?

- Partnered with one of the nation's leading financial institutions, advancing into hundreds of learning centers and offered by hundreds of private college counselors
- The only product that contains all aspects of preparing for the college choice process:
 - ✓ Admission Planning and Admittance Evaluation
 - ✓ College list balancing & College choice optimization
 - ✓ College profiles
 - ✓ College Costs, Merit Scholarships, College Need-Based & State aid programs

Why is ePrep Special?

- ePrep is offered in over 300 schools & 1000 Learning Centers across the US
- ✓ Features full-length practice tests that you can take whenever and wherever it's convenient
- ✓ Courses include hundreds of videos with teaching experts demonstrating how to solve practice problems.
- ✓ Analytics: ePrep's adaptive diagnostic tool will not only grade your tests, but will track your progress, analyze your potential, direct your efforts and deliver remediation
- ✓ WordSmith™ is an interactive vocabulary builder that makes learning words easy and fun.

"ePrep's user interface is well designed, the program is intuitive, and videos are truly eye-opening. Because higher test scores help with admissions and merit-based scholarships, ePrep makes sense for all college-bound students."

Lee Stetson

Former Dean of Admissions, UPenn

"Don Betterton served on the Admissions Committee and directed the Office of Financial Aid at Princeton University for over 30 years. He is ideally qualified to provide wise and knowledgeable advice to students preparing for college."

Shirley Tilgham

Former President, Princeton University
